

Quick Pate

This was a huge hit at a family function. I went from about 1 ½ lbs to a ramekin in less than two hours. I asked my sister-in-law, “Do you know how much this cost?” She shook her head. I said, “believe it or not, less than five dollars”. Yes, a pound and a half of “pate” for less than five dollars.

1 Lb Braunschweiger
1 8 Oz Package of Cream Cheese
2 Cloves Garlic (chopped)
2 TBS Sliced Onion
2 TBS Chopped Parsley
2 TBS Chopped Chives
1 TBS Worcestershire Sauce

1. Place the onion and garlic in a food processor and process until smooth
2. Add the herbs and process
3. Add the braunschweiger and process until thoroughly mixed
4. Add the cream cheese and process until smooth
5. Add the Worcestershire sauce and process until absorbed
6. Scrape down the sides of the food processor and whirl for about 30 seconds
7. Serve with crackers
