

## **Crème Fruit Dip**

The family loves this fruit dip and everyone keeps asking my wife for the recipe. She quickly rattles it off; they don't believe her and ask her to write it down. Finally, I said, "Let me put it on the web." Here it is!

1 8 Oz Package of Cream Cheese at room temperature

1 7 Oz Jar of Marshmallow Cream

1. Place the ingredients in a bowl
2. Beat with a hand mixer until smooth
3. Serve with cut up fruits (apples, melon, strawberries, etc.)
